

DISCERN

As you begin, the first step is to discern an area of your life that you sense God wants to transform, correct, strengthen, or mature. Ask God these questions:

01

“What do You desire I focus on next?” or “Where am I showing a lack of spiritual maturity?”

I think as I look at my life right now, the thing I need to focus on most is the fact that I don't share my faith with other people. I try and live my life rightly... but I don't actually come out and communicate the hope I have in Jesus.

ID PATH FOCUS

Now, it's time to take a step of faith and identify the area you feel God is inviting you to focus on. Remember, there's no wrong answer when you are selecting an area in which God is calling you to mature in or grow. Take a minute and identify the specific area of the PATH (below) that God is revealing to you as your next step of obedience.
